

# LVDS CONNECTOR SERIES

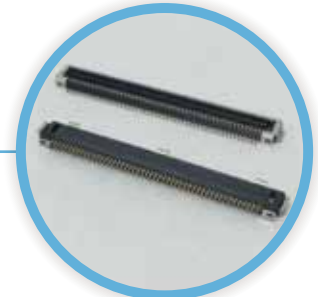

20 Pin

30 Pin

40 Pin

50 Pin

## Features of LVDS Coaxial Cable Connectors

- Meet EIA & MIL-STD standards
- Excellent mechanical strength, dimensional stability, electrical performance, flame retardant, chemical and high temperature plastic
- Reflow process compatible
- Compliance with CE & FCC & MSDS & RoHS requirements
- Capacity 2 million pcs per month

## Ratings

- Voltage: 50V AC/DC
- Current: 0.5A DC max (per min); 0.3A DC (per pin/full pin)
- Operating Temperature: -55~+85°C (Humidity range 90%RH max.)
